

Essential PPE for Manufacturing Facilities

Head & Face Protection

- Hard hats (various types, including vented and non-vented)
- Face shields (full and partial)
- Safety goggles (chemical splash and impact-resistant)
- Safety glasses (with side shields or wraparound styles)
- Welding helmets (if applicable)

Hearing Protection

- Disposable foam earplugs
- Reusable earplugs
- Earmuffs (standard and electronic)

Respiratory Protection

- N95 disposable respirators
- Half-mask respirators with cartridges/filters
- Full-face respirators
- PAPR (Powered Air-Purifying Respirators)
- SCBA units (for confined space or hazardous materials)

Hand Protection

- General-purpose work gloves (cut-resistant, nitrile, leather)
- Chemical-resistant gloves (neoprene, PVC, etc.)
- Heat-resistant gloves (for hot work or welding)
- Anti-vibration gloves (for heavy equipment use)
- Electrical insulating gloves (if working near energized systems)

Body Protection

- High-visibility vests or shirts (ANSI-compliant)
- Flame-resistant clothing (if required by process or materials)
- Lab coats or smocks (chemical handling)
- Welding jackets or aprons
- Chemical-resistant suits or aprons

Essential PPE for Manufacturing Facilities

Foot Protection

- Steel-toe or composite-toe safety boots
- Slip-resistant soles
- Electrical hazard-rated boots
- Metatarsal guards (if heavy objects are handled frequently)
- Shoe covers (for cleanroom or contamination-sensitive areas)

Fall Protection (if working at height)

- Full-body harnesses
- Shock-absorbing lanyards
- Self-retracting lifelines
- Anchor points and connectors

Eye Wash & Emergency Equipment

- Portable eye wash bottles
- Plumbed eye wash stations
- Emergency safety showers

Additional Specialty PPE

- Arc flash suits (if working on or near live electrical systems)
- Disposable coveralls (for dust, paint, or light chemical exposure)
- Cooling vests or hydration gear (for high-heat environments)
- Knee pads or back support belts (for ergonomic support)

Safety Inc.
esafetyinc.com
sales@esafetyinc.com
tel: 978.532.7330

Providing ppe, portable instruments, and service to New England and Upstate New York since 1970.

Services We Provide

- Portable and fixed gas detection
- Respirator maintenance programs - SCBAs, PAPRs, and breather boxes
- Level A suit testing - to ASTM F1052 Pressure Test Method
- Fall protection equipment inspections - competent person to ASTM Standards
- Mag meter verification

Exclusive Draeger Representative
